

Scrunchie Wallet

A green scrunchie that stores your belongings

The Scrunchie Wallet is one's best friend since it has such a multiuse. You can wear it on your wrist as a fashion item, tie your hair with it or store your belongings. How many times have you gone somewhere and didn't have a pocket to place your lipstick, keys or anything else you wanted direct access to? Well now, with Scrunchie Wallet, you can place any small item inside your scrunchy and have it on you at all times! Another awesome attribute of Scrunchie Wallet is that it is a sustainable product since it is made out of organic cotton. This means that it is made out of cotton grown organically in subtropical countries from non-genetically modified plants and without the use of synthetic agricultural chemicals.
